Dear Mr. Robertson:

SUBJECT: Imputing of Income, Helena Housing Authority

Thank you for your letter of December 22, 1987, pointing out the fact that the Housing Authority of the City of Helena might be improperly imputing income to tenants in its low-rent public housing programs.

When we met on January 14, 1988, at West Memphis, I informed you that our office had contacted the Housing Authority and was preparing a written opinion as to the proper manner of performing this function. You will find enclosed herewith a copy of our letter to the Housing Authority. We hope that this letter addresses all the concerns set forth in your previous transmittal.

If I can be of further assistance, please contact me at 378-5913.

Sincerely,

A handwritten signature in cursive script, appearing to read "John L. Munday".
